

TAMEKA GROUP CONSORTIUM

Collaborate · Innovate · Sustain · Impact

Capital, governance and delivery for Africa's next generation of projects.

WHO WE ARE

An international consortium birthed in Kenya and headquartered in Nairobi, Tameka Group Consortium unites financiers, technical partners and public institutions behind a single mandate: structure the money, govern the grant, and deliver the project. Founded in 2019, we hold financing, compliance and delivery under one accountable governance framework across Africa and emerging markets.

SERVICE LINES

Finance Administration

Treasury oversight, fund accounting, disbursement control and audit-ready financial reporting for multi-party programmes.

Grant Management

Full grant lifecycle — sourcing, compliance, sub-recipient monitoring, reporting and donor assurance through to certified close-out.

Equities & Capital

Equity structuring, blended finance, capital raising and portfolio stewardship for growth and infrastructure assets.

Public-Private Participation

PPP structuring, transaction advisory and concession support aligning government mandates with private capital.

Project Management

PMO set-up, delivery assurance, procurement oversight and results frameworks from inception to handover.

Consortium Services

Consortium formation, joint-venture governance, shared services and member representation across markets.
